Enhance Critical Digital Literacy Skills

The right edtech can boost student reflection and engagement, and improve learning outcomes

The Right Tools at the Right Time

As schools increasingly look to empower digital literacy and inclusion, it's important to equip students with appropriate technology tools that highlight their skills, not hinder their capabilities.

INPUT DEVICES THAT PUT STUDENTS IN CONTROL

Boost student productivity with intuitive navigation and typing tools that help them deliver better and more accurate work. A mouse and keyboard also caters learning to students' physical abilities, allowing them to navigate confidently through multiple apps or forms of content tools with precision.

M325S WIRELESS MOUSE

910-006825 (Black)

*Also comes in a variety of colors

A mouse that provides a robust wireless connection over a 32ft (10m) range, plus easy scrolling and smooth cursor control to help students maintain engagement and productivity.

SIGNATURE M650

910-006250

(Graphite Signature M650)

910-006231

(Graphite Signature M650 L)

910-006234

(Graphite Signature M650 L LEFT)

*Also comes in a variety of colors

The M650 helps students work quickly, efficiently, and quietly thanks to SmartWheel scrolling that delivers precision and speed. This advanced mouse is available for small-to-large hands and left-handed users.

MK270 WIRELESS KEYBOARD & MOUSE COMBO

920-004536

Designed for both left- and right-handed students, this small footprint keyboard and mouse combo helps students navigate their lessons with ease.

RUGGED COMBO 4 KEYBOARD CASES FOR IPAD®

920-011133 (Rugged combo 4)

920-011130 (Rugged Combo 4 Touch)

Keep students focused on their work with pry-resistant, silent keys and a high-precision trackpad for greater control and flexibility over more complex individual work and tasks.

PRECISE TOOLS FOR HANDWRITING SKILLS

The right tools to build handwriting skills and provide students with more ways to process, organize, and remember information. Logitech Pen and Crayon allow students to write and draw naturally and clearly with precision.

LOGITECH PEN

914-000065

A comfortable, fast-charging, USB-compatible Chromebook stylus with non-slip grip and a smart tip that adjusts line weight with tilt to help students write and draw naturally and confidently.

LOGITECH CRAYON FOR EDUCATION

914-000078 (USB-C)
914-000031 (Lightning)

A quick-charging digital pencil for iPads with Apple Pencil technology and palm rejection technology that support developing learners and hundreds of apps.

AUDIO TUNED FOR LEARNING

Headsets are crucial for maintaining student focus and blocking out distractions, especially during independent comprehension exercises, as well as oral and reading activities.

H111 STEREO HEADSET FOR EDUCATION

981-000999

With full stereo sound and compatibility with almost all platforms and operating systems, the H111 Headset for Education ensures students can focus on the task and content at hand.

ZONE LEARN WIRED HEADSET

981-001372 (3.5 mm AUX, On-ear)
981-001389 (3.5 mm AUX, Over-ear)
981-001367 (USB-C, On-ear)
981-001383 (USB-C, Over-ear)

With a comfortable, micro-adjustable fit, swappable ear pads, and drivers tuned for vocal clarity and educational applications, Zone Learn is built for sustained focus and long-term use.
